2018 Arbor Day Celebration

On April 27, 2018 the Village of Hemingford hosted it's first Arbor Day Celebration. We had an amazing turn out for our tree campaign! We were blessed with getting all 13 trees that we wanted in the park, a combination of Canada Red Cherries, and Green Lindens were added to the park. As well as a beautiful, unique sculpture that was designed, built and donated by Chris & Marcie Thomas of MCT Trucking and MCsigns and Decals. We also placed a new Blue Spruce by Gina Jespersen's sign on the East side of town and four in the Cemetery. Pastor Ester from the Hemingford Methodist church said a blessing for the sculpture and trees. Gordon Hoff of Alliance Floral Hoffhaus Gardens spoke, saying what a good thing that Hemingford is being proactive and replacing trees.

Arbor Day Celebration

This is just a few of the residents that joined us for the celebration.

National Police and Public Works Week

The Village Office recognized our Police Department and our Utility Crew the Week of May 13- May 19. We appreciate everything they do!

2018 Summer Help

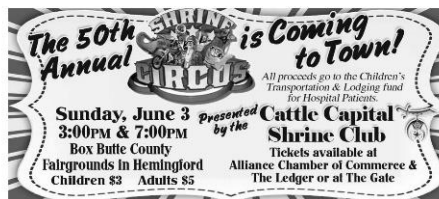

Our Summer program has started! Russ Frahm, Natalie Gasseling and Brooke Turek will be helping the Utility crew mowing, running weed eaters, and other odd jobs. We are very happy to have the help keeping our parks, cemetery, and ball fields looking nice! Natalie is the daughter of Jennifer & Ryan Gasseling and she has returned home for the summer from Wayne State, and plans on returning there in the fall. Brooke is the Daughter of Molly & Troy Turek and she has returned home for the summer from Chadron State and plans on going to Black Hills State in the Fall!

2018 Shrine Circus comes to Hemingford
