Snow Removal 2017-2018

The Village Utility Crew have worked very hard all season to keep snow and ice off our road ways. Just a quick reminder to help the Utility Crew be as efficient as possible:

Emergency Snow Routes are Niobrara, Box Butte and Donald Ave. Snow removal on these streets will take precedence over all other streets and alleys.

All Sidewalks within the business district shall be cleaned within (5) hours after the cessation of a storm, unless the Storm or fall of snow have taken place during the night, in which case the sidewalk shall be cleaned before eight (8:00) o'clock in the AM the following day. Sidewalks within the residential areas of the Municipality shall be cleaned within twenty-four (24) hours after the cessation of the storm

New "Team" Member

Kyle Huss, the Utility Supervisor has been wheeling and dealing trying to get the Village a "new" Street Sweeper to replace the one that the Village has had for many years. The one we had previously had quit working in November. The new member came on Friday, February 9, 2018. The Utility Crew is very excited about getting the street cleaned up and safe for our residents.

2018 Pet Vaccination

On February 17, 2018 the Village of Hemingford hosted the Alliance Animal Clinic. Office staff and Vet, Calvin Tolstedt, were on site at the Utility Shop and saw 3 cats and 35 of dogs who got a variety of vaccinations including Rabies. At the same time 38 licenses were issued by the Utility Staff. If you did not participate in the clinic and have not already gotten your pet licensed, please stop by and license your pet.

All dogs and cats within the Village need to be licensed each year. All licenses do expire on December 31.
