

**NOTICE OF MOSQUITO SPRAYING BY THE
VILLAGE OF HEMINGFORD UTILITY STAFF**

Starting July 13, 2018

Notice is hereby given, that the Utility staff will be spraying Stryker 5-25® throughout the village limits starting July 13, 2018, approximately around dusk and up to three times each month when there is mosquito activity, weather permitting. The MSDS (Material Safety Data Sheet) is posted at the Village Office, and at the Post Office for viewing. If there are concerns, please contact the Village Office for questions, 308-487-3465.
