

ORDINANCE NO. 812

**AN ORDINANCE OF THE VILLAGE OF HEMINGFORD, NEBRASKA,  
ADOPTING AN ELECTRICAL INTERCONNECTION POLICY, PROCEDURES,  
CHARGES, AGREEMENTS, AND PROVIDING FOR AN EFFECTIVE DATE--**

Be it ordained by the Chairperson and the Board of Trustees of the Village of Hemingford, Nebraska:

Section 1. The Chairperson and Village Board of Trustees find that private electrical generating capacity may become a significant potential in the future, and a policy, standards and agreements are necessary for the health, safety and welfare of citizens and Village employees for the interconnection of such capacity with the Village's electrical system. The Chairperson and Village Board of Trustees now enact a uniform policy, standards and agreement for any privately-owned electrical generation.

Section 2. The Chairperson and Village Board of Trustees now adopt a Net Metering Policy marked as Exhibit "A," Application marked as Exhibit "B," Agreement marked as Exhibit "C," and Certificate of Completion marked as Exhibit "D," all attached to this ordinance and incorporated by this reference.

Section 3. This Ordinance shall become effective upon its passage, approval and publication as provided by law.

PASSED AND APPROVED this 28 day of December 2021.
